Sun Kim

Frontend Developer

Princeton, TX 75407 | sunkim0205@gmail.com | 512-608-2231 | in/sunhukim | sunkim0330

Summary

Passionate and results-driven Frontend Engineer with a robust skill set in Next.js, React, and TypeScript. Committed to achieving company goals by leveraging dynamic skills and demonstrating a strong aptitude for rapidly acquiring new technologies. Recognized for fervently delivering high-quality solutions and driving innovation within collaborative team environments.

Skills

React, JavaScript, Next.js, TypeScript, Chakra UI, HTML5, CSS3, Git, Agile Methodologies

Experience

Frontend Developer | Bushel | Remote | Mar 2022 - Nov 2023

- Designed and developed a high-performance **Next.js** Internal Administrator Web app, resulting in a 50% increase in team efficiency. Demonstrated exceptional adaptability and collaborative skills, delivering high-quality results autonomously while seamlessly integrating feedback from team members throughout the project lifecycle.
- Converted Figma designs into cutting-edge components using dynamic **Chakra UI** visual components with theme support, implementing a visually cohesive and **responsive design** strategy and significantly reducing development time.
- Streamlined and optimized the organization of complex components using **React hooks**, resulting in a more maintainable and scalable codebase.
- Collaborated with the Mobile team to migrate from React Native to **Capacitor.js**, resulting in improved app responsiveness and maximized user usability, which led to an 80% increase in user satisfaction.
- Improved proficiency in writing unit tests using **Jest** and **React Testing Library**, leading to a substantial increase in test coverage to 97% and ensuring the reliability, functionality, and performance of React components and applications.
- Worked in an Agile environment and actively participated in daily scrum meetings, retrospectives, and project progress tracking with Jira within 2-week sprint cycles to align with project goals and milestones.

Certified Pharmacy Technician | Tom Thumb | Richardson, Texas | Jun 2015 - Jan 2021

- Evaluated the accuracy and authenticity of prescriptions while meticulously reviewing and recording patient information.
- Orchestrated organizational strategies to efficiently manage high-volume operations in a fast-paced retail environment.
- Demonstrated professionalism and a commitment to exceptional service while navigating challenging customer interactions.
- Facilitated communication with insurance carriers to resolve patients' prescription claim issues promptly and efficiently.
